Arts and Sciences Mission Statement

The mission of the School of Arts and Sciences is to provide a dynamic education that nurtures and stimulates intellectual growth and a greater understanding of our diverse communities. With cross-disciplinary curricula in the arts, humanities, behavioral, natural, and social sciences, the school utilizes innovative curricula, pedagogy, and technologies to foster scholar-practitioners who value ethics and service to others.

The School of Arts & Sciences is a member of the Council of Colleges of Arts and Sciences.
